

ss the class  
completely, you are responsible for the material covered that class period and you must be prepared for the quiz the following class period.

**I will not accept assignments or a lab report from a class that you did not attend. I will not accept any late assignments either. You will receive a daily participation grade. Therefore, if you are not present you will receive a zero grade for the day.**

## Biology 1020 Laboratory Schedule– Spring 2014

\*This is a tentative schedule subject to change at the instructors discretion.

---

Week	Date	Lab Exercise	Pages
------	------	--------------	-------
