excused absence.

- It is strongly advised to maintain a laboratory notebook with drawings, descriptions, data, and conclusions from laboratory exercises. The notebook will help you study for quizzes.

- No eating or drinking in the lab.

- Students must take care of lab equipment. Notify the professor if something is not working or if something breaks during the course of the lab.

- Each student will be assigned a microscope. It is the student's responsibility to properly care for the microscope. After lab the professor will check each scope to make sure that it was put away properly. Failure to do so will result in one point being subtracted from the student's final lab point. Notify the professor if your microscope is not functioning properly.

- Cell phones are not allowed to be used in lab with the exception of using them as timers or to take pictures of data when necessary.

- Email: Please email me only from a VSU email account. I am unable to respond to emails from non-VSU accounts.

-Academic integrity is the responsibility of all VSU faculty and students. Students are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct and
