each to give you an idea of what it offers.

1. If you see yourself going into Human Resources directly after college, it is an advantageous decision to sign up to also be a member of SHRM National ([click here](#) to learn more). It is a great resource to network, attend outside workshops, and to familiarize yourself with Human Resources.
2. If you do not want to go into Human Resources but would like to benefit from

you would only pay chapter dues.
3. We are starting a new virtual membership. If you are fully online and cannot attend meetings physically, this option will be for you. You will still get to take part in our speaker series and professional development workshops.
