

ISFPs love all living life

In general, ISFPs are gentle and compassionate, open and flexible. They are considerate of others and do not force their views and opinions on them. They often focus on meeting others' needs, especially those who are less fortunate. Having a quiet, modest, self-effacing style, ISFPs avoid disagreements and seek harmony with people as well as with nature. They enjoy life's precious moments and often add a touch of beauty to the environments where they spend their time. They are at their best ensuring others' well-being.

- ISFPs are gentle, caring, and sensitive people, who keep much of their intensely personal ideals and values to themselves
- They are nonjudgmental and accepting of others behavior; they do not seek to find underlying motives or meanings
- ISFPs live completely in the present moment, they do not tend to prepare or plan more than is necessary

Popular Occupations for ISFPs

In listing occupations that are popular among ISFPs, it is important to note that there are successful people of all types in all occupations. However, the following are careers ISFPs may find particularly satisfying and some of the reasons why. This is by no means a comprehensive listing but is included to suggest possibilities you may not have previously considered. Although all of these occupations offer the potential for career satisfaction, the future demand for some careers is anticipated to be greater than for others.

Crafts/Artisan

Fashion designer	Carpenter
Jeweler	Gardener
Tapestry worker	Potter
Painter	Dancer
Designer: interior/landscape	Chef
Artist	Cartoonist and animator
Sketch artist	Tailor
Musical instrument maker	

The chief appeal of these careers for ISFPs is the opportunity to work with their hands in the creation of something attractive and, oftentimes, useful. They enjoy using their five senses in a practical way as well as working with real things in the real world. Many of these careers offer ISFPs the chance to work flexible hours and the freedom to schedule their own work. Most ISFPs prefer to be autonomous, without having to conform to administrative guidelines.
